Mrs. J. Clarke,

PESCADERO WILL CELEBRATE FIRST COMMUNITY SERVICE OCT. 2

Movement for the Creation of a Union High School With a Strong Agriculture Department, by Supt. Cloud

On Sunday October 2 the people of Pescadero will celebrate the first anniversary of community service. The event will be a banquet followed by an entertainment given by the children under direction of Frank Williamson, clerk of the school board, and Professor Rogers, principal.

The banquet will be served at I. O. O. F. Hall. F. F Humphrey, who has been interested in the center from its beginning, offers for the occasion as many 6-pound suckling pigs as the managing committee calls for. The usual accompaniments will form the menu and the noted Pescadero cakes will be served with the dessert.

Carl Coburn, president of the executive board, is to be historian and Miss Fielder, community organizer, will be one of the speakers.

The committees appointed by the president are:

Arrangements—Mrs. A. Gaulson, Mrs. John Dias, Mrs. Manuel Dias, Mrs. Frank Williamson; Messrs. J. C. Williamson and Anton Davis.

Cleanup—Mrs. Asa Weeks, Mrs. D. Adair, Mrs. James McCormick

Two recent important steps taken by the Pescadero community service are first the movement for the creation of a union high school district with a strong agriculture department, centered at Pescadero. In this County Superintendent Cloud has conferred with them and there is every reason to believe that there will be a favorable decision within the year. Second, the establishing of a weekly class in naturalization under the following committee: J. C. Williamson, Carl Coburn and Mrs. John Dias.

The Saturday night moving picture, always the best films, with the health and educational free pictures on Friday night, draw and entertain the people within a radius of five or six miles. Many of the same people come to the other special events. To see Pescadero at play, to see her growing vision and gradually extending horizon, brings one to desire that all our rural communities might be stirred into power through community service.

MISS MARY O'BRIEN PASSES AWAY

After an illness of seven weeks, during which she suffered intense pain, Miss Mary A. O'Brien on Monday morning last answered the Death Angel's call at the home of her sister, Mrs. P. A. Ryan, on Marshall street in this city. She bore her suffering with true Christian fortitude, looking forward to the day when her body would be out of pain and her soul out of prison. Miss O'Brien's life was holy and saintly. She did not dread the mystery of death, feeling confident that its solution would reunite her with the loved ones who had gone before.

Surrounded by the loved and loving, her spirit winged its flight beyond the horizon where the dusk is waiting the dawn of an eternal morning.

Miss O'Brien came here to resile with her sister after the fire in San Francisco and has continuously lived in Redwood City, making many friends during that time.

She was the daughter of Mary O'Brien and the late Wm. O'Brien, and a sister of Sister Mary Rose of Rio Vista, Sister Mary Cecelia of Oakland and an aunt of Sister Mary Bridget of Sausalito and Sister Mary Lorenzo of San Francisco, and sister of Father T. L. Murphy, until recently president of Santa Clara University and now residing in Seattle. He was unable to attend the funeral. The four nuns were present.

HIGH SCHOOL NOTES

A pep assembly was held at Sequoia Union High School Thursday. Toland McGettigan, president of the student body, was in charge and Victor Jones, the school yell leader, led the yells. The high school is full of pep and enthusiasm for the year.

The football team was defeated in the first game with the William Warren School by the score of 21 to 7. DISARMAMENT

In a recent speech in the United States senate Hiram W. Johnson said this concerning disarmament:

"There is another matter about which I am curious and concerning which, perhaps, the senator from Mississippi is equally curious. I believe in the reduction of armaments. I congratulate the senator from Idaho (Mr. Borah) upon winning in this chamber the greatest personal victory that has been won by any United States senator since I have been a member of this body. I congratulate, too, the president of the United States and the secretary of state in calling the disarmament conference which they have called.

"I hope and pray that it may be a success in every respect; but the first test in that disarmament conference will be whether it is held in the open or whether it is held in secrecy. And so, curious as I am, I express now the view that is mine, that when the disarmament conference meets in Washington in November we will see as an actuality the nations of the earth meeting in the open, so that the peoples of the earth may be constructively present and so that the public opinion of the various countries of the world will be able to affect that conference and direct its will in behalf of all the people."

LET'S SHAPE OUR OWN POLICY

Members of the shipping board declare that much of the opposition to the sale of the wooden ships at $2100 each was due to British shipping interests who do not want to see the wooden ships put into commission thereby creating further competition. It is understood that the ships are to go to the Ship Construction and Trading Company of New York City. The price was discouragingly low, but it was necessary to rid the government of the ships, as they were costing a huge sum in upkeep. The fact that British interests were attempting to prevent the sale indicates how busy those interests are in this country in their attempt to discourage an American merchant marine. When the discussion of the Jones amendment to the tariff bill, providing for discriminatory rates on goods entering in foreign vessels, comes up for debate, these British interests will again be seen fighting it tooth and nail. And those interests must be beaten.

KEEP THE PLEDGE

Secretary of the Treasury Mellon is absolutely right in urging that the excess profits taxes be repealed as of January 1, 1921. The Republican platform of 1920 pledged repeal of that form of tax and the pledge should be kept.

LUXURY TAX YIELD

When Americans dance they pay the piper and when they chew gum they supply motive power to the wheels of government. Amusements, luxuries, tobacco, etc., cost us $4,253,000,000 last year, in spite of business on the bum, and the government received taxes totaling about $580,000,000 from purchasers of cigars, cigarettes, theater tickets, club memberships, automobiles, sporting goods, sculpture, fancy carpets, motor boats, fur articles, etc. Theater tickets yielded $96,000,000 in taxes during 1521; cigarettes paid $135,000,000; snuff, $6,000,000. Taxes on auto sales yielded $116,000,000; tennis racquets and sporting goods, $4,284,000; chewing gum, $1,333,000; photograph films, $1,045,000; painting and statuary, $1,116,000, and about $20,000,000 was derived from carpets, rugs, pocketbooks, clothing, etc., while candy yielded over $20,000,000 of revenue, indicating total sales of $400,000,000 during the year. The total collections on soaps and beautifiers amounted to $2,324,000. The rouge lip pressed the tax slip and the hennaed poll paid its proper toll.

CAUSES OF PELLAGRA

The generally accepted theory that pellagra is due to an inadequate diet or the consumption of spoiled corn meal is denied by Dr. E. M. Perdue of Kansas City, who asserts that the disease, the world over, is limited to areas where there is an absence of alkalies in the water. According to his study of the subject, any patient may cure himself by putting a little lime in his drinking water and any physician can cure a case of pellagra by a hypodermic administration of sodium citrate. This is an interesting contribution to a subject which has been the center of much discussion in recent months, particularly in governmental circles.

The announcement made by Chile that she will withdraw from the League of Nations if that organization tampers with the Bolivian treaty of 1904 has given the league cold feet.

SUPERVISORS' MEETING HELD

The board of supervisors met in regular session on Monday September 19 at 10 a. m.

The Bradford, Weeden Company of San Francisco submitted a bid for the purchase of $14,000 worth of Burlingame school bonds offered for sale several months ago, a portion of which had been sold at the time. The bid was par with accrued interest.

District Attorney Swart, to whom the matter was referred for an opinion, stated that the board had the legal right to dispose of the balance of the bonds, if it were the wish of the school trustees of the district that they should be sold. Supervisor Brown stated that Mrs. J. M. Vickers, clerk of the board, had informed him on Monday that the school trustees were in favor of accepting the offer of Bradford & Weeden. The board thereupon, on motion of Supervisor Brown, seconded by Hickey, accepted the bid for the additional bonds.

District Attorney Swart, to whom the communication of the San Mateo County Federation of Women's Clubs relative to advertising signs along the highways and also the peddling of merchandise on the highways had been referred, addressed the board in the matter. He said the supervisors had the right to regulate the placing of signs on the highways, but he doubted very much if they had any jurisdiction over private property along the highway unless the signs interfered with the safety of traffic or were of an immoral nature.

In the matter of peddlers on the highways of the county, the district attorney said he believed in everything being encouraged to bring their products and merchandise as direct to the public as possible. He believed, however, he said, that places and the manner of selling on the highways should be regulated by the board so as to avoid confusion and accidents and to take care of the sanitary situation.

Daniel C. Imboden, secretary of the Three Cities Chamber of Commerce, appeared before the board and in behalf of the organization extended an invitation to the members to attend the luncheon to be given the San Francisco board of supervisors at the Sherichon House in San Mateo Tuesday in connection with the latters' visit to the plant of the Pacific Studios Corporation at that place. The invitation was accepted with thanks, and all the members of the board said they would endeavor to be present.

The board took up with District Attorney Swart the communications that had been received at the last meeting from the Peninsula Bureau of Chambers of Commerce and Civic Associations urging an appropriation of $1,500 for an industrial survey of San Mateo county under the direction of Dr. Cottrell of Stanford University. The district attorney stated that this money could be appropriated. Supervisor MacBain stated that this fund showed only a balance of a few hundred dollars and as no provision had been made in this year's tax levy for additional money for this purpose the board could see no way to make the appropriation.

J. J. McGrath, president of the Peninsula Bureau of Chambers of Commerce and Civic Associations, as well as the Three Cities Chamber of Commerce, addressed the board in the above matter and explained the purpose of the survey and what it would mean toward the development of San Mateo county. He concluded by saying that he hoped the district attorney would find some legal way whereby the supervisors could make the required appropriation for the work.

District Attorney Swart presented a new ordinance regulating weights of loads allowed on trucks and other vehicles over the highways of the county. He explained that he had arranged roads in various groups and had fixed the weights accordingly. Copies of the proposed ordinance were given each member of the board for consideration until the next meeting.

County Tax Collector Ambrose McSweeney, at his request, was granted permisison to collect taxes outside of his office, on motion of Supervisor Hickey, seconded by Supervisor MacBain.

A communication was received from the Menlo Park Chamber of Commerce enclosing copies of three resolutions adopted by that body at a recent meeting. The resolutions were ordered filed.

Miss Edna Holroyd, county librarian, addressed a communication to the board asking for two weeks' vacation beginning September 19. The request was granted, on motion of Supervisor Hickey, seconded by Supervisor MacBain.

County Engineer G. A. Kneese submitted a communication to the board advising that the contract for the construction of the concrete retaining wall on the La Honda to San Gregorio road near station 216, in the fifth road district, has been completed and recommending the acceptance of the contract. The report of the engineer was accepted, on motion of Supervisor MacBain, seconded by Supervisor Brown.

A carload of water pipe was received here last week consigned to George A. Hensley, which is to be used in piping the water supply to the Ohio building, which is being repaired and converted in a swell resort place where the people of San Francisco can motor down and enjoy a day or a night's outing without fear of being disturbed by anyone or anything. But there are to be no Arbuckle parties staged there.

Engineer Charles A. Dimmitt of Redwood City presented two maps to the board for acceptance, one of subdivision of lots 34 and 35, "Atherton Acres," and the other of land owned by the Redwood Harbor Company. Resoltuions ordering the acceptance of the maps were adopted, on motion of Supervisor MacBain, seconded by Supervisor Hickey.

County Engineer G. A. Kneese presented plans and specifications for a storm water sewer on San Bruno road near the Seven Mile House in the first road district. The plans and specifications were adopted, on motion of Supervisor Hickey, seconded by Supervisor MacBain, and Mrs. Nash, the clerk, was directed to advertise for bids for the work, the same to be opened Monday, October 3, at 10 a. m.

ALVIN B. GROSH SUED HERE FOR DIVORCE

Madge J. Grosh has brought divorce proceedings in the superior court against her husband Alvin B. Grosh on the ground of desertion. The couple was married at Berkeley on January 15 1881. Plaintiff asks for permanent maintenance, costs of suit and attorney fees. J. E. McCurdy is attorney for plaintiff.

Lena Dugdale has brought an action of divorce in the superior court against her husband, Henry Dugdale, on the ground of extreme cruelty. They were married in Dublin, Ireland, on June 3, 1909. They have two minor children whose custody the plaintiff asks. She also asks alimony, costs and attorney fees. Defendant receives $150 a month as a chauffeur. J. E. McCurdy is the attorney for plaintiff.

ADMINISTRATION SOUGHT IN ROCHE ESTATE

Sebastian P. Roche and Rita P. Roche have applied in the superior court for letters of administration upon the estate of Manuel P. Roche, who died on September 9, 1921, at Runnymede.

The estate consists of horses and cattle at the Cardoza ranch at Ravenswood and a leasehold of the said ranch and other personal property. The value of the estate is in excess of $10,000. The heirs at law are Sebastian P. Roche, widow, and Manuel P. Roche and Rita P. Roche, children. Rodgers & Smith are the attorneys for petitioners.

MARRIAGE LICENSES

Harvey Braun, aged 36, Niles, and Mary Wargin, aged 28, Oakland.

Fred R. Bradley aged 44, and Hilda D. Holliday, aged 24, both of San Francisco.

Walter Lund, aged 26, and Grace Hellin, aged 28, both of San Francisco.

Grant R. Johnson, aged 27, and B. Rosler, aged 22, both of San Francisco.

M. K. Heap, aged 53, Sioux Falls, and J. F. Seaman, aged 39, Burlingame.

John M. Martin, aged 62, and Nellie Kilvington, aged 53, both of San Jose.

SAN CARLOS

Mrs. Fred T. Odgers gave a whist party at her home last Tuesday evening in honor of her friends Mrs. H. Wood of Oakland who has been a guest at the Odgers home for the past week. Those attending were Mesdames A. Plevin of San Francisco A. M. Planka, Thomas Plowman, Vanderlaan and Dennery of San Carlos. After the prizes were distributed delicious refreshments were served.

A carload of water pipe was received here last week consigned to George A. Hensley, which is to be used in piping the water supply to the Ohio building, which is being repaired and converted in a swell resort place where the people of San Francisco can motor down and enjoy a day or a night's outing without fear of being disturbed by anyone or anything. But there are to be no Arbuckle parties staged there.

Rudolph D. Smith and Williahm M. Jones with their wives, two young married couples from San Francisco, have moved into the A. E. Jones home on Walnut street. Smith and Jones is quite a combination and it is quite pleasing to know that we have our proper quota of these good old fashioned names in San Carlos, even though we have never had a Jones, Brown or Smith as president of the United States.

The airhsip which Pilot Andrews drove to Yosemite from here in two hours and which was disabled when he made his start for the return trip, was three days coming from the valley by freight train.

The four hundred from San Francisco and peninsula towns were the only ones present at the turning of the first spadefull of dirt at the commencement of the $400,000 speedway at San Carlos last Sunday. The common herd were conspicuous by their absence there being only a few real estate estate agents, not of the elect, in evidence.

With the large number of new telephones being established in the new homes, in the new stores, at the Ohio building, the Varney aviation field and at the speedway here, and the large number still in prospect, it won't be long until one of the native daughters of San Carlos will be breaking in as wire chief for the central exchange of our little city.

Mesdames Planka and Dennery entertained at a whist party at the home of Mrs. Planka last Thursday. Those attending were Mesdames H. Wood of Oakland, Fred T. Odgers, H. Schomer, H. Vanderlaan and T. Plowman of San Carlos. Mrs. Odgers was credited with the highest score and Mrs. Vanderlaan quit with zero to her credit. Very refreshing and appetizing refreshments were esrved. This group of San Carlos ladies contemplate organizing a whist club to meet each month.

The Age of Worry

There is a time in the life of every girl when—but this illustrates it:

"How old is Gladys now?" Mrs. Davis asked of Gladys' grandmother.

Grandmother smiled understandingly.

"Gladys is just at the age where her mother is afraid she will get married and Gladys is afraid she will not."—Kansas City Star.

made defendant in a divorce suit filed last week in Los Angeles by Mrs. Bessie L. White. In the complaint he is charged with being too friendly with another woman and with having treated his wife in a cruel and abusive manner. The complaint also charges the defendant with snatching a revolver and pointing it at his wife, threatening to kill her. Mrs. White asks for the custody of their three minor children.

It is understood that the senate will give the right of way to the tax revision bill when it reconvenes on September 21. Individuals and business concerns hail the decision with delight. The earlier the tax measure becomes a law the longer the tax payers will have to adjust their financial affairs in conformity with it, so that payment of taxes next year will cause the least inconvenience.

ONE BRAND-
ONE QUALITY-
One Size Package

All our skill, facilities, and lifelong knowledge of the finest tobaccos are concentrated on this one cigarette—CAMEL.

Into this ONE BRAND, we put the utmost quality. Nothing is too good for Camels. They are as good as it's possible to make a cigarette.

Camel QUALITY is always maintained at the same high, exclusive standard. You can always depend on the same mellow-mild refreshing smoothness—the taste and rich flavor of choicest tobaccos—and entire freedom from cigaretty aftertaste.

And remember this! Camels come in one size package only—20 cigarettes—just the right size to make the greatest saving in production and packing. This saving goes straight into Camel Quality. That's one reason why you can get Camel Quality at so moderate a price.

Here's another. We put no useless frills on the Camel package. No "extra wrappers!" Nothing just for show!

Such things do not improve the smoke any more than premiums or coupons. And their added cost must go onto the price or come out of the quality.

One thing, and only one, is responsible for Camels great and growing popularity—that is CAMEL QUALITY.

MENLO PARK NEWS OF ALL SORTS

M. F. Duff and family will leave Menlo Park next week to take up their residence at Burlingame, where Mr. Duff has bought a pretty home on Prospect Way. Their departure is a matter of deep regret among their many friends. Mr. and Mrs. Duff have resided here for many years, all their children having been born here. The family carries with them to their new home the very best wishes of the people of Menlo Park, where they have lived so long.

Mr. and Mrs. Clodfelter have moved to Los Angeles to reside. They may live there permanently. Mrs. Clodfelter's sister, Mrs. Inman, may also move there later. Both families are held in high esteem here and their departure to the south is a matter of regret.

W. J Murray, the realty broker, returned during the week from a vacation of two weeks spent at Gilroy Hot Springs.

Among the new students arriving at the opening of St. Patrick's Semat the opening of St. Patrick's Sem-Weber of Long Beach. He is the son of Mr. and Mrs. Louis Weber, who formerly resided in this community. His mother was formerly Miss Mary Doyle of Portola, well known school teacher in the county some years ago. The middle name of the young man is after Mrs. Hartley of Redwood City. Young Weber's early piety and devotion to his faith show he has a vocation for the priesthood. From early boyhood he has shown a decided leaning for the career he has chosen for himself. He is only 15 years old, but is far advanced in his studies. He will spend 11 years at the seminary before he is ordained.

C. A. Guglielmoni, grand secretary of the Druids, is constructing a modern home on the old Blanchard place at Menlo Heights. He has an interesting family. He sold his place at Burlingame recently to buy here.

A. R. Bernard is here from Eureka with his wife and two children on a visit to his parents, Mr. and Mrs. J. P. Bernard.

The Warren School opened on Wednesday with a largely increased attendance. Over 200 boys registered up to last evening and they are still coming in.

The J. L. Flood mansion is being painted. Both the interior and exterior will be made attractive by the artistic brush of J. H. Keefe and Co., who have painted the structure off and on for the past 20 years. The big force of men doing the work can scarcely find hotel accommodations here.

The James R. Doyle home on Laurel avenue has been sold to H. Doughty, the local butcher, who will occupy it in a short time. It is one of the coziest homes in that locality.

Mrs Martin McCarthy, who was quite ill last week, is convalescing. This will be glad news to her many friends.

Melville Best Anderson, professor emeritus of English at Stanford, left Wednesday for New York, where he will attend to the publication of his translation of Dante's "Divine Comedy." He will remain for several weeks. Since his retirement from active academic life has been devoting the majority of his time to a study of Dante and to his work of translating the "Divine Comedy." The work has been carried on partly in Italy and partly at his home in Menlo Park. The translation is now complete and ready for press. It will probably be off the press by the end of this year, the 600th since the death of the Italian poet.

John J. O'Farrel, son of John O'Farrel of Atherton, has resumed his studies at St. Patrick's Seminary. His sister, Miss Mary O'Farrel, has returned to St. Rose Academy in San Francisco.

The Di Natale store on Santa Cruz avenue that was the scene of great business activity during the war has been leased for an ice cream parlor and temperance drink emporium to a local business man.

On Monday, September 12, the stork left a baby boy at the Los Angeles home of Mr. and Mrs. Eugene Black, nee Lillian Feeley. Mrs. Black is the youngest daughter of Mr. and Mrs. William Feeley of Menlo Park.

Mrs. J. Scott of Atherton has rented the Maloney cottage on Oak Grove avenue for a year. The house was formerly occupied by James B. Clothier.

It was then owned by Major Harney, brother-in-law of Judge Hunt of San Francisco. The judge always spent his week ends there in those days. Mr Bower is to improve the property.

The Chronicle's account on Sunday of the illness of Supervisor John MacBain was greatly exaggerated. He was then suffering from a slight cold but was able to attend the meeting of the board of supervisors on Monday. The article greatly alarmed Mr. MacBain's friendsthroughout the the county.

Funeral services were held Sunday morning at the Palo Alto undertaking parlors for the late Manuel T. Roche, who died Friday night at his home in Runnymede. Monsignor Joseph M.
